10. GRIEVANCE PROCEDURE AND ARBITRATION

Experience shows that nearly all questions which arise under this Agreement can be settled without following the formal grievance procedure. If any Employee believes they have any claim or complaint, it is recommended that they talk it over first with their supervisor. However, this is not required. If they prefer, the Employee may first consult with a Union Representative. It will not be considered an unfriendly act for an Employee to consult with any Union Representative or to present a claim or complaint. There will be no retaliation against any Employee for doing any of these.

A. Definitions

In this Article, the following definitions apply:

1. "Grievance" means a dispute raised by the Union concerning the interpretation or application of any provision in this Agreement. Unless otherwise provided in this Agreement, a violation of this Agreement is subject to this grievance and arbitration procedures set forth below.

2. "Days" means calendar days. In this Article, whenever a period of time is specified, the day of the event or action which commences the period shall not be included in calculating the length of the period. If the last day for responding and acting is a Saturday, Sunday or Agreement holiday, the period shall be extended to the next day which is not a Saturday, Sunday or Agreement holiday.
3. Limitation: Settlements reached with Union Representatives in Step 1 and Step 2 of the grievance procedure shall not establish precedent or a practice for future cases unless by specific written Agreement signed by a Union Representative and by the Employer.

B. Initiating a Grievance

The Employer and the Union recognize that the goal of this grievance and arbitration procedure is to attempt to resolve the grievance at the lowest level possible with the least amount of time and resources.

Informal Resolution: Employee or Union Representative may first confer with the supervisor or with such other person as the Employer may designate and attempt to settle the matter.

STEP ONE (1)

A Union Representative must initiate the grievance procedure by completing and delivering a grievance to the Employee's immediate supervisor or the manager who took the action and the Human Resources Department within thirty (30) days of the date upon which either the Grievant or the Union first became aware.

In order to ensure that the grievance process is conducted in a swift manner, the following information should be included:

- The date(s) which the grievance occurred
- The grievant(s)'s name
- The specific Article(s) or Sections(s) of the Collective Bargaining Agreement violated or the past practice, rule and/or policy violated
- The specific remedy requested

A meeting to resolve the grievance shall take place within fifteen (15) days after the filing of the grievance. This time limit may be extended or waived by mutual written agreement of the Parties. In this meeting, the Union Representative(s) or Employee and the Employee's immediate supervisor or the manager who took the action and other Employer Representative(s), if deemed necessary by the Employer, shall

engage in a full and frank discussion of their positions, including the supporting rationale for their position.

The Employer will respond in writing within fifteen (15) days of the Step One (1) meeting.

STEP TWO (2)

After the Employer's written response is received in Step One (1) above, or in the absence of a response from the Employer, if the grievance remains unresolved, the Union Representative(s) must notify Human Resources in writing of a move to Step Two (2) within fifteen (15) days of the Step One (1) response.

A meeting shall be held to resolve the grievance during the fifteen (15) day period following the receipt of the written notice of the move to Step Two (2). In this meeting, the Union Representative(s) or Employee and the next level of management above the Employee's immediate supervisor [or the manager who took the action who heard the grievance at Step One (1)] and other Employer Representative(s), if deemed necessary by the Employer, shall engage in a full and frank discussion of their respective position including the supporting rationale for their positions. The Employer will respond in writing within fifteen (15) days after the meeting.

C. Timelines

If the Employer does not respond to a grievance in a timely manner, the grievance shall move to the next step.

Alternatively, all timelines may be extended by mutual agreement of the parties.

D. Union Participation

1. Representatives of the Union, designated by the Union, have the right to be present at any grievance meeting called for the purpose of discussing an Employee grievance.
2. The Union has the right to request all relevant information regarding individual cases prior to any step of the grievance procedure. All relevant information, as allowed by law, must be provided to the Union prior to the grievance meeting(s).

E. Arbitration

STEP THREE (3)

1. Demand for Arbitration

If the grievance is not resolved at Step Two (2), the Union may proceed by submitting a written request for arbitration to the other party:

a) within thirty (30) days after the due date of the Step Two (2) response, if no Step Two response has been provided or

b) within thirty (30) days following the receipt of the Step Two (2) response.

A Union request for arbitration shall be delivered to Human Resources within the time limits above.

2. Selection of Arbitrator

Within ninety (90) days of the ratification of this Agreement, the parties shall meet to discuss and implement a permanent panel of seven (7) arbitrators to hear cases as prescribed by this Article. Any cases referred to arbitration prior to the implementation of the permanent panel shall have the arbitrator selected from a list of seven (7) which have been jointly requested from the Federal Mediation and Conciliation Service (FMCS). Once the list is received, the Arbitrator will be selected by alternately striking a name until one is left. The party to strike first will be chosen by lot.

3. Arbitration Hearing and Decision

The Arbitrator shall hear the submitted grievance(s) as expeditiously as possible, but no longer than one hundred twenty (120) days from formal request for arbitration, and shall render a decision in writing within thirty (30) days after the conclusion of the last hearing date or submission of briefs, whichever is later. If the matter is not heard within one hundred twenty (120) days solely due to Employer delay, the Union shall prevail on the grievance.

4. Arbitration Fees and Costs

The fees and expenses of the Arbitrator, the cost of the hearing room, and the cost of the court reporter, if required by the Arbitrator, shall be shared jointly by the parties. Each party will bear its own expenses of representation and

presentation of its case, including witnesses, and including the cost of any transcript for the party's use.

5. Arbitrator's Authority

The Arbitrator shall have no power to add to, to subtract from or to change any of the terms or provisions of the Agreement. In cases concerning the interpretation or application of any provision of this Agreement, the arbitrator's jurisdiction shall extend solely to the claims of violation of specific written provisions of the Agreement. The award shall be based upon the joint submission agreement of the parties, or in the absence thereof, the questions raised by the parties in respect to the specific interpretation and application of the Agreement. Further, the Arbitrator's decision will be final and binding upon all parties concerned.

11. PERSONNEL FILES

A. Employee Access

1. Employees who wish to review their own files shall provide a written request to the Human Resources Department and shall have such request granted within two (2) business days (excluding weekends).
2. Copies of relevant materials within the personnel file shall be provided on written request by the Employee. Relevant materials include items in which the Employee has signed, initialed or are in regards to their job performance. Written requests for copies of other materials contained in the personnel file shall not be unreasonably denied.
3. Employees will receive copies of all disciplinary notice(s) placed in their personnel files and shall have the right to rebut in writing any disciplinary notice. Such rebuttals, other than grievances, shall be attached to the disciplinary notice and placed in the personnel file.
4. In any case where the Employer and the Union agree to revise personnel record materials, the Employer shall upon request, provide evidence of the revision.

B. Management Access

A member of management may view only the personnel files of Employees who are currently in their area of responsibility, or are a prospective candidate for a vacant

position in their area of responsibility. In handling personnel files, management shall maintain the security and confidentiality of such files and store such files in a secure area when not in immediate use.

12. INTRODUCTORY PERIOD

Employees hired on or after the effective date of this Agreement may be dismissed without recourse to the grievance procedure during the introductory period – the first ninety (90) days of employment.

If a Per Diem Employee has not completed thirty (30) days of work within said ninety (90) days, the introductory period will be through the Employee's thirtieth (30th) day of work or through the one hundred and thirty-fifth (135th) day of employment, whichever occurs first.

13. MANDATORY MEETINGS AND REQUIRED TRAINING

- A. All mandatory staff meetings and required on-site training shall be paid. If an Employee is already working a shift during those hours, their pay will continue as usual as if they were working their normal shift. If an Employee must come in on their time off in order to fulfill this training, they will be paid the rates that would apply if it were a regular shift, but not less than two (2) hours' worth of pay, even if the meeting lasts less than two (2) hours. Employees will not attend mandatory staff meetings or required training without compensation. Hours resulting in payment of overtime must be authorized by the department director in advance.
- B. The Employer will provide as much notice as possible for mandatory meetings or required training that occurs outside an Employee's regular schedule and not less than fourteen (14) days' notice, except in cases of emergency situations.
- C. An Employee who has a legitimate reason to miss a mandatory meeting and/or required training shall be excused without penalty. Examples of legitimate excuses include, but are not limited to, medical, bereavement, a second job, etc. In those situations where an Employee has been excused from attending a mandatory meeting or required training, the Employer will make reasonable efforts to insure the Employee is able to receive the information from an alternative source. It is the employee's responsibility to notify management of a missed mandatory meeting or required on-site training.
- D. When introducing a new policy or new equipment, the Employer shall provide all the materials and training necessary to implement the new policy or equipment.

14. EMPLOYMENT CATEGORIES

A. Benefited Employees

1. Full-time — Employees hired into a position regularly scheduled to work thirty (30) or more hours per work week or sixty (60) or more hours per pay period. 2. Part-Time — Employees hired into a position regularly scheduled to work twenty (20) or more hours per week or forty (40) or more hours per pay period, but less than sixty (60) hours. Employees in this category are eligible for all benefits except employer paid life insurance.

Employees in this category are eligible for legally required benefits only and do not receive additional pay in lieu of benefits. Employees do not accrue seniority while in a Temporary status and are not eligible for wage increases unless expressly provided for herein.
 - a. The ninety (90) calendar days may be extended in any given case by mutual agreement of the Employer and the Union, and the Union's agreement to such extension will not be unreasonably denied. This period may not be extended by the use of temporary assignments beyond a twelve (12) month period.
 - b. The Union shall be notified of the specific purpose, including the specific Employee being replaced and anticipated length of the temporary work assignment in each case.

- c. Temporary employment lasting for more than the period provided above, or any extension agreed upon, shall be posted as a job vacancy in accordance with Article 20 – Seniority.
- d. In the event a Temporary Employee becomes a Full-Time or Part-Time Employee, the qualifying date for pay raises starts with their most recent date of continuous employment, and the qualifying date for benefit eligibility and accrual is the date of reclassification to Full-Time or Part-Time status.
- e. A Temporary Employee shall not be terminated solely to prevent their advancement to Full-Time or Part-Time status when the temporary job continues in effect or for the sole purpose of keeping a regular job constantly staffed by Temporary Employees.
- f. Temporary positions that are expected to last for more than ninety (90) calendar days will be posted in accordance with Article 20 – Seniority. Employees shall be eligible for a temporary position and shall bid on such positions in accordance with Article 20 – Seniority. Upon conclusion of the temporary position, the bargaining unit Employee shall be returned to their former position. A Full-Time or Part-Time Employee who requests and receives a temporary position of forty (40) or more hours each pay period will continue to maintain their Employee category and benefited status during the period of temporary employment.

15. HOURS OF WORK

A. Straight Time

The Employer may assign or schedule Employees to straight time shifts of up to twelve (12) hours (e.g. 8-, 10- or 12-hour shifts, etc.). For all hours within such shifts, pay will be at the Employee's straight time hourly rate, plus shift differential, if applicable. For scheduling purposes, a full-time week shall be five (5) eight (8) hour shifts, four (4) ten (10) hour shifts, or three (3) twelve (12) hour shifts. Employees shall be permitted to work their scheduled shift, unless mutually agreed upon by the Employer and the Employee in writing.

B. Definitions

- 1. "Work day" means a consecutive twenty-four (24) hour period beginning at the same time each day.
- 2. The "work week" means seven (7) consecutive workdays commencing Sunday at 12:00 a.m.

3. The "pay period" means two consecutive workweeks. The Employer agrees that it will only change the work day, work week or pay period in compliance with the provisions of the Fair Labor Standards Act and after first notifying the Union and, upon request, meeting and conferring with the Union.

C. Overtime

Employees shall receive overtime at the rate of time and one-half (1 ½) their regular rate of pay as follows:

1. Over forty (40) hours in a week - For schedules with mixed shift lengths only (i.e. a regular schedule that includes a mix of 8-hour, 10-hour and/or 12-hour shifts.)
2. 8/80 - Over eight (8) hours in a day or eighty (80) hours in a pay period.
3. 10/40 - Over ten (10) hours in a day or forty (40) hours in a week.
4. 12/40 - Over twelve (12) hours in a day or forty (40) hours in a week.

D. No Mandatory Overtime

There shall be no mandatory overtime except in cases of emergency declared by state, local or federal government or unpredictable or unavoidable occurrence at unscheduled or unpredictable intervals relating to healthcare delivery requiring immediate medical interventions and care such as natural disasters, situations of mass casualties or an internal emergency endangering patient care such as fire, structural collapse, bomb threats or hazardous material spills.

The use of mandatory overtime, described above, shall be limited to those unforeseen extraordinary circumstances where efforts have been made to obtain voluntary or external assistance in providing the care, but additional staffing is still required to provide a safe level of patient care and also to limit the burden imposed upon the individual Employee.

E. Rotation of Shifts

For the purposes of this Article, "rotating shift" means that an Employee is required to work a shift other than their regular shift (e.g. day to night, p.m. to night).

This provision shall not prevent the Employer from posting and filling a position which contains rotating shifts, nor shall it prevent an Employee from agreeing to work rotating shifts. This provision shall not apply to the following: instances when

Employees commence a new regular schedule; a temporary rotation for the purposes of training, in-service, or evaluation; and a rotation to accommodate an Employee who is on jury duty. Nothing in this Article shall prevent the Employer from designing shift schedules for Employees on individual units with differing shift starting times less than five hours apart. If the Employer intends to implement such schedules, it shall first notify the Union and, upon request, bargain over such a schedule. This provision shall not require the Employer to change current practices where such schedules exist.

F. Rest Between Shifts

Except in the case of emergency or unforeseen circumstances causing staffing difficulties, or unless the Employee agrees, the Employer shall not schedule a shift for an Employee which commences within ten (10) hours of the end of the Employee's last scheduled shift.

If an employee is required to work a call back shift, and that shift results in the employee not having ten (10) hours of rest between that shift and the next scheduled shift, the employee may request to delay the start of the next start time of the next scheduled shift to allow up to ten (10) hours of rest before next shift. The Hospital will not unreasonably deny such request. If the employee chooses to take less than a ten (10) hour rest period this must be agreed upon by the Employee and Employer and shall not compromise patient safety.

G. Rest and Meal Periods

Each Employee shall be provided with one (1) paid rest period for every four (4) hours worked. Paid rest periods (breaks) are fifteen (15) minutes in length and are not intended to be combined or taken consecutively with another rest or meal period.

Employees working in excess of six (6) hours shall be provided with one (1) thirty (30) minute unpaid meal period each workday. Meal Periods are not intended to be combined or taken consecutively with rest periods. Employees are expected to take their breaks and arrange for appropriate relief, as required. In the event an Employee is unable to take their break, they will contact their supervisor.

If an Employee is interrupted during their meal period and is required by the Employer to perform work for any period of time, the Employee will be paid for the entire meal period.

H. Posting of Work Schedules

1. Work schedules shall be posted at least fourteen (14) days in advance of their commencement and cover a minimum of twenty eight (28) days. Once posted,

established schedules may not be changed except by mutual agreement between the Employee and the Employer, or in the case of an emergency or unforeseen extraordinary circumstance causing staffing difficulties.

2. Employees in the same department may, by mutual agreement, submit requests to exchange days off provided they are qualified and that overtime or other premium pay does not result and that such requests have the advance approval of their supervisor or manager. All such requests must be submitted in writing and approved.
3. Nothing in this provision shall prevent the Employer from automating its scheduling methods in the future, with the understanding that any new scheduling method shall maintain all provisions of this Agreement.

When Employees are scheduled and placed on Standby status, they are eligible for Standby pay until called into work.

1. Employees placed on Standby status shall be paid at the rate of \$6.00 per hour.
2. Employees placed on Standby status will not be required to remain on the Employer's premises, but will be required to be available to be reached by telephone if their services are needed.
3. Employees placed on Standby status must be available and reachable by phone and, if they are called into work, they must respond. Employees cannot choose not to be available for work if they are on a Standby status.

4. Employees placed on Standby status who are called back are expected to report to work as soon as reasonably possible, but not more than (30) minutes from the time the Call Back notice is received and acknowledged.

D. Non-Elective Standby

If an Employer department is closed, it may be necessary for Employees to be placed on Standby. This is not classified as elective standby. In this situation, Employees may utilize accrued vacation, sick, or holiday hours to subsidize the Standby pay. 17. MANDATORY DAY OFF (MDO)

A. Mandatory Day Off (MDO)

1. Every Effort to Avoid Call-offs

Insofar as it is practicable, the Employer will make every effort to avoid daily cancellations in accordance with Article 19 – Job Security. However, occasionally it may be necessary to require an Employee to take time off during temporary periods of low census or on other occasions when staffing needs to be adjusted on a temporary basis. MDO time must be approved by a supervisor or department manager. Eligible Employees who are cancelled may take the day off without pay or use Vacation, Sick or Holiday Time at their discretion.

2. MDO as Time Worked

If an Employee is cancelled, the hours that an Employee was scheduled to work shall count as time worked for the following, including but not limited to:

- a. Vesting and service credit under the Employer's retirement plan;
- b. Waiting periods under health insurance and other benefit plans;
- c. Vacation, Sick or Holiday Time accruals;
- d. Application of Shift Differential

MDO time shall not affect an Employee's status (i.e. Full-Time or Part-Time) and the Employer shall code this as flex time.

3. Order of Call-off

Subject to patient care considerations and staffing needs, when it is necessary to cancel Employees pursuant to this Article, the following procedure shall be followed and the Employees shall be called off in the following order:

- a. Registry (Local Agency);
- b. Travelers;
- c. Employees receiving premium pay;
- d. Volunteers;

- e. Temporary Employees;
- f. Per Diem Employees;
- g. Part-Time Employees working shifts over and above their regular schedule;

Within each category above, call-offs shall be by rotation beginning at the bottom of the seniority roster provided that the remaining Employees are qualified and able to perform the work.

4. Call-off Notice

The Employer will call-off Employees at least two (2) hours prior to the commencement of their scheduled shift.

5. Called-off Employees Off the Schedule

Once called off, an Employee is considered off the schedule and shall not be required to maintain contact or be available to work, unless the Employee has been placed on Standby status and is compensated accordingly, for the shift or portion thereof.

6. Seniority Amongst Volunteers

If more than one Employee in an affected department volunteers to be cancelled, seniority shall prevail.

7. Reporting Pay

An Employee who reports to work as scheduled, but is called off in less than two hours of working, shall nonetheless receive two (2) hours' pay.

18. DISCIPLINE

A. Just Cause

The Employer may only discipline or terminate an Employee for just cause. Any discipline or discharge may be subject to the grievance and arbitration procedure in Article 10 – Grievance Procedure and Arbitration.

B. Progressive Discipline

Unless circumstances warrant severe and immediate actions, the Employer will utilize a system of progressive discipline. Progressive steps shall include verbal warning, written warning, disciplinary suspensions without pay, and termination of

employment. Any discipline must be presented to the Employee no later than ten (10) days from the date on which the Employer became aware of the incident, event or actions leading to the discipline, unless the Employee, for whatever reason, is unavailable.

No Employee shall be held in unpaid investigatory suspension for more than seven (7) calendar days.

C. Additional Representation Rights

1. The following holding of the U.S. Supreme Court in *NLRB v Weingarten Inc.*, shall apply to investigatory interviews conducted by the employer that an Employee, upon their request, is entitled to have a Union representative present during an investigatory interview in which the Employee is required to participate and where the Employee reasonably believes that such investigation will result in disciplinary action. The right to the presence of a Union representative (Field Representative or Union Steward) is conditioned upon a requirement that the Union representative be available for participation in such investigatory interview within twenty four (24) hours, excluding Saturday, Sunday, and Holidays, of the Employee's request for their presence.
2. At any meeting between the Employer and the Employee in which discipline is to be issued, (a) Union representative(s) shall be present, if requested by the Employee.
3. If a Union representative is an Employee, they will not suffer a loss of pay if representing an Employee in either a disciplinary or investigatory meeting during working hours.

D. Notification to Union

The Employer shall notify the Union of all involuntary disciplinary terminations within twenty four (24) hours, excluding holidays and weekends.

19. JOB SECURITY

The parties acknowledge a common goal and intent of providing employment and income security to Employees. As such, it is the intent of the parties to avoid displacement of Employees, but recognize there are circumstances when avoiding displacement can-not be achieved. The parties acknowledge a mutual intention to make use of attrition, business growth, job matching, retraining and/or other mutually agreed upon mechanisms to accomplish this goal. Insofar as practicable, the Employer will make every effort to avoid displacing Employees, i.e., reductions in force, reduction in hours, daily cancellations, and job elimination on a temporary, indefinite, or

permanent basis. The parties agree that Employees faced with displacement from their positions shall be given first consideration for reassignment or floating wherever possible in lieu of involuntary reduction. Furthermore, if an Employee is displaced, the Employer will assist Employees in identifying other job opportunities in other departments with the Employer.

20. SENIORITY

A. Seniority Defined

"Seniority" shall be defined as:

1. Employee's total length of Part-Time or Full-Time service at the Employer calculated from the original date of hire at Saint Mary's Regional Medical Center into the bargaining unit.
2. For current non-bargaining unit Employees transferring into the bargaining unit, the length of Part-Time or Full-Time service will begin on the transfer date into the bargaining unit.

B. Uses of Seniority

An Employee's seniority date shall be used in determining for scheduling, filling vacancies (job bidding, in conjunction with Article 21), and reduction in force, in conjunction with Article 22.

Seniority date shall be used in granting holiday and vacations when multiple employees of the same department or unit request the same dates.

When filling vacancies or job bidding within a department and two (2) or more Employees have the same seniority date, the most qualified Employee will be selected to fill the position.

C. Seniority and Per Diems

Per Diem Employees shall accrue seniority only between and among the Per Diem pools. If an Employee moves from Part-Time or Full-Time to Per Diem, they will carry their seniority to the Per Diem position. If any Employee who was Full-Time or Part-Time becomes a Per Diem and then returns to a Full-Time or Part-Time position, the seniority they held at the time they went to the Per Diem status will be reinstated.

D. Temporary Employees

Employees hired into temporary status do not earn seniority of any kind.

E. Adjustments to Seniority Dates

Seniority shall be adjusted by the following:

1. Periods of employment in a temporary status;
2. Periods of employment in a Per Diem status;
3. A layoff of twelve (12) months or less;
4. Personal leaves of absence (except for military leave, workers compensation, Union Leave and the portion of a leave mandated under state or federal Laws);
5. The period between voluntary termination and rehire when reemployed within ninety (90) days of termination;

F. Loss of Seniority

1. Discharge with cause;
2. Voluntary termination of employment without rehire in excess of ninety (90) days;
3. Layoff without recall/rehire in excess of twelve (12) months;
4. At retirement.

G. Seniority List

The Employer shall maintain seniority lists, which will be provided to the Union upon request but no more often than once every three (3) months.

21. POSTING AND FILLING VACANCIES

A. Definition

For the purposes of this Article, "vacancy" means a vacated or newly-created position at the Employer, but does not include a work assignment or work shift change or an approved voluntary reduction in hours.

B. Posting Period and Process

Openings for vacancies covered by this Agreement are posted for a minimum of seven (7) calendar days before the Employer fills the job on a permanent basis. Vacancies are posted on the Employer's Hiring Website.

Position Postings shall include:

1. Job title, department, location (facility)
2. Employment category (e.g., Full-Time, Part-Time, Per-Diem)
3. Qualifications and job summary
4. Hours, shift and days off (if fixed)
5. Whether days off are fixed or variable
6. Dates of posting

C. Selection Process

Selection process will be based on the most qualified Candidate for the position based on training, education, certification or credentialing needed to perform the duties of the position. Regarding internal bargaining unit applicants who apply for a posted position within seven (7) calendar days, as described in Section B, they shall be given preference over non-bargaining unit applicants for a vacant position that is listed in Article 1 – Recognition, if the internal bargaining unit applicant meets the qualifications for the position. Regarding internal bargaining unit employees applying for a position within the Hospital listed in Article 1 – Recognition, the Hospital will award the position in the following order:

1. A Full-Time or Part-Time applicant with the greatest Union seniority working in the unit/department where the vacancy exists.
2. If no qualified Full-Time or Part-Time applications within the unit/department, then Union seniority outside the unit/department will prevail.
3. If no Full-Time or Part Time applicants apply, then a Per Diem will be selected within the unit/department.
4. If no Per Diem within the unit/department, then Union seniority outside the unit/department will prevail.

D. Elimination of Positions

Both parties recognize that there are reasons why posting would not be warranted, for example to avoid a layoff, to avoid excessive call-offs, to effectuate changes due to loss of volume to meet legal/legislative requirements, to change skill mix, and/or to change services or business lines.

In all cases where the Employer intends not to post a vacancy, it will so notify the Union in writing, within thirty (30) days of the date on which the position became

available. Nothing herein is intended to alter any obligations the Employer may have under this Agreement.

E. Preference Order

Preference amongst those bidding and qualified for the position shall be given in the following order. Amongst bidding Employees from the same preference level, seniority shall govern. For lead positions only, bidding Employees will be offered the position based first on the applicant's ability to fill the position.

1. Regular (i.e., Full-Time or Part-Time) Employees from the same unit/department, including Employees on layoff, as well as regular Employees on layoff who remain on the Per Diem list.
2. Regular Employees from other units/departments, including Employees on layoff, as well as regular Employees on layoff who remain on the Per Diem list.
3. Per Diem Employees from the same unit/department.
4. Per Diem Employees from other units/departments.
5. Applicants who are former Employees who left in good standing with not more than one (1) year's absence from the Employer.

F. Eligibility

1. Employees who have not completed their ninety (90) calendar day introductory period are ineligible to apply for a position in another unit/department.
2. An Employee who is awarded a posted position may not be awarded another posted vacancy within the next six (6) months, unless:
 - a. The vacancy arises in the Employee's same unit/department;
 - b. The Employee is in their current position as a direct result of an involuntary job change or layoff.

G. Notification of Selection

Employees who submitted a bid and/or have applied for a posted vacancy shall be informed by the Employer in writing (electronically) within thirty (30) days of whether or not they are awarded the position.

H. Evaluation Period after Promotion or Transfer

1. Employees who are promoted or transfer through the bidding process shall have orientation as necessary.
2. For the Employee to be eligible to transfer, the Employee must be in their current position for no less than six (6) calendar months and must be in good standing. Good standing is defined as no more than a verbal warning within the last six (6) months.
3. Transferred Employees cannot be terminated for failure to pass the ninety (90) day introductory period, but only for rule infraction or inability to perform, subject to the provisions in Article 18 – Discipline.
4. If the Employee fails to perform satisfactorily in the ninety (90) day introductory period in the new position they shall be returned to their former position, including shift, assignment, and scheduled hours without loss of Union seniority, if it is still available. When the Employee is returned to the previous position, the Employee will be placed on the current pay scale based on current credited years of experience.
5. If the former position, including shift, assignment, and scheduled hours, without loss of Union seniority is not available due to being filled by another Employee, the Employee may apply to other positions within the Hospital for which they are qualified. If there are no current position openings for which the Employee is qualified, the Employee will be discharged with all accrued Vacation time.
6. No acts of recrimination shall result from transfer requests.

I. Rehire

A former bargaining unit Employee who leaves in good standing will remain eligible for rehire. “Rehire” means that a former bargaining unit Employee is rehired into a posted position within ninety (90) calendar days of their last day of employment, and seniority will be re-established according to Article 20 – Seniority.

If a former bargaining unit Employee is hired after 90 calendar days, they shall be treated as a new Employee with a ninety (90) day introductory period.

All rehires will be placed on the current scale for the position to which they have been hired based on credited years of experience process in Article 30 – Wages.

22. REDUCTION IN FORCE

Insofar as practicable, if after exercising every effort to avoid layoff in accordance with Article 19 – Job Security, it is necessary to conduct a layoff, then such layoff shall be undertaken as set forth below. It is the intent of the following provisions to protect the most senior Employees in the case of reductions, and to preserve their shift and hours as is practicable under the circumstances.

A. Preliminary Issues

1. Definitions:

- a. "Reduction" means an involuntary, indefinite elimination of a position or hours and does not include Mandatory Days Off (MDO).
 - b. "Affected unit/department" means unit/department where a reduction has occurred or is planned.
 - c. "Affected Employee" means an Employee whose position is the subject of a reduction.
 - d. "Recall" means an Employee represented by the Union may be recalled to a vacant position in the same department and classification as the Employee was in when the layoff occurred.
2. The Employer will conduct any reduction in such a way to avoid an adverse impact with regard to race, creed, national origin, sex, age, veteran status, marital status, sexual orientation, disability, or any other basis protected by law.

B. Notification

1. The Employer shall notify the Union at least thirty (30) calendar days before any reduction and shall, upon request, meet and confer with CWA regarding the impact of the reduction. Where possible, additional notice will be given.
2. Affected Employees will receive at least fourteen (14) calendar days written notice, or will receive two (2) weeks pay in lieu of notice. Any payments to Part-time Employees will be prorated in direct proportion to their current scheduled hours as noted on the time clock.
3. The Employer will comply with all applicable provisions of the Workers' Adjustment and Retraining Notification Act (WARN) and provide appropriate notice in those reductions which fall within the scope of WARN.

C. Reductions

1. Implementation of Reductions

- a. Before implementing a reduction in any unit/department, the Employer will first, in conjunction with the Union:
 1. Solicit volunteers in all affected units/departments who wish to resign; and
 2. Return to their former unit/department, scheduling category and shift any Employee temporarily assigned to or from an affected unit/department.
- b. Reductions will be conducted by job classification, within a unit/department. Departments are listed in Article 20 – Seniority. However, the Employer may decide to cluster similar and/or closely related units, whether or not they are in the same location, for purposes of a reduction.
- c. Before implementing such a decision, the Employer shall first notify the Union and, upon request, shall negotiate with the Union. In addition, the Union may request that the Employer cluster two or more units. In making the decision to cluster, factors such as the will be considered: the extent to which the units rely on each other for vacation and other relief; the extent to which there has been cross-training; the extent to which there is floating between the units; and the extent to which the Employees in different units have equivalent qualifications and perform substantially similar duties.
- d. If two or more units have been clustered under this subsection, references to "unit" in this Article shall mean such clustered units.
- e. Within each job classification, reductions will occur by Seniority as defined in Article 20 – Seniority, provided that, the remaining Employees are qualified and able to perform the work with reasonable orientation.

2. Order of Reductions

- a. Reductions will occur in the following order:
 1. Volunteers amongst an affected classification, as stated in Section C.1.a.(1).
 2. Temporary Employees
 3. Per Diem Employees
 4. Part-Time Employees
 5. Full-Time Employees
- b. It is understood that a reduction shall not prevent the Employer from retaining positions in categories (2) and (3) above and from reconfiguring positions, if such positions are needed to ensure continuing operations of the unit/department. Affected unit/department Employees who do not retain their

pre-reduction positions shall be given preference in filling such positions. Thereafter, unit/department positions shall be filled in accordance with Section D.

D. Preferences for Employees

1. Preference

An affected Employee who does not retain a position in their unit/department under section C.2.b. ("displaced Employee") shall have preference for any posted bargaining unit position by the Employer.

2. Conditions

- a. A displaced non-benefited Employee shall have preference over all other non-benefited Employees but shall have no preference over benefited Employees who are applying for positions in their own unit/department.
- b. In the event more than one displaced Employee entitled to preference applies for a posted position under this Section, the position shall be awarded by Seniority.
- c. To qualify for preference in this Section, a displaced Employee must apply for a posted position and must be qualified and able to perform the work with reasonable orientation.

3. Layoffs and Benefits

a. Displaced benefited Employees

1. A benefited Employee who is not placed in a position under D.1. will be laid off and entitled to additional benefits and rights set forth in sections E, G and H.
2. If there is a vacant position in their category and shift at the Employer and the Employee does not apply for such a position, or applies for but does not accept the position if offered, the Employee will be considered as having resigned and will not be entitled to additional benefits and rights contained in Sections E, G and H.

b. Displaced non-benefited Employees

1. A non-benefited Employee who is not placed in a position under Section D.1. will be laid off and entitled to recall under Section H.

2. If there is a vacant position in their category and shift at the Employer and the Employee does not apply for such a position, or applies for but does not accept the position if offered, the Employee will be considered as having resigned and will not be entitled to recall under Section H.

For the purposes of this Section, a "posted position" means a vacant position which is posted at any time commencing with the notification date in Section B through the effective date of the reduction. No such position will be filled until there has been compliance with the provisions of this Section.

E. Severance Pay

1. Benefited Employees who have completed their probationary period and who are laid off in accordance with this Article will receive severance pay, in a lump sum, according to the following schedule. 2. With the consent of the Employer, an Employee, who otherwise would not have been laid off, may resign. Such an Employee shall be entitled to severance pay and benefits if, as a result, another affected benefited Employee in the same unit/department, or clustered unit/department, is not laid off, but the Employee who voluntarily resigned shall not be entitled to recall or other rights under Section G.
3. In addition to severance pay calculated on the scale in Section E.1., the Employer shall pay the Employee all accrued non-used Vacation time.

F. General Severance Provisions

1. Severance is calculated as weeks of pay for regularly scheduled work at the Employee's most recent base salary level.
2. An Employee's signing of the general release for receipt of severance pay will not preclude the Union's ability to grieve the Employee's layoff or recall rights pursuant to the terms of this Agreement. In the event an arbitrator awards back pay, any severance monies paid will offset any such award.
3. Additionally, the Union and the Employer will make a good faith effort to reach Agreement regarding layoff. If the parties are not able to reach agreement, the Employer may implement and the Union may, within fifteen (15) days of the effective date of the layoff, submit the dispute to expedited arbitration for final and binding resolution.
4. Effective beginning the date of this Agreement, an Employee who is laid off, receives severance pay and is returned to work before the period which the severance pay covered, shall have their future entitlement for severance pay adjusted accordingly (e.g. the Employee who receives ten (10) weeks' severance pay and is returned in five (5) weeks would have five (5) weeks less of severance pay in the future).

G. Benefits

Laid off Employees who are covered by the Employer-sponsored health insurance will be covered until the last day of the calendar month in which the fourteen (14) calendar day notice period (Section B.2.) ends. 2. In order to be eligible for recall, the Employee must keep the Employer informed as to their current address and current telephone number. Recall notice to Employees on layoff shall be sent by certified mail, return receipt requested, to the Employee's last known address, with a copy sent to the Union.
3. The Employee must return from layoff within ten (10) working days after receipt of notice to return to work, unless otherwise mutually agreed by the Employer and the Union, or lose all recall privileges.

4. Within the period specified and subject to qualifications, Employees who, as a result of reduction, are or will be laid off or who are reduced from benefited to non-benefited status may use their seniority to bid on vacant positions.
 5. An Employee shall remain on the recall list unless they are offered and decline a position in the same position classification and status as the position from which they were laid off or reduced from benefited to non-benefited status.
- I. An Employee's unused sick leave shall be reinstated if the Employee resumes work in a benefited position during the recall period.
 - J. An Employee who is on layoff shall retain but not accrue seniority while they are on the recall list.

24. VACATION AND OTHER LEAVES

A. Bereavement Leave

1. When a death occurs in the immediate family of a Full-Time or Part-Time Employee, the Employee shall be entitled to a leave of absence of up to three (3) days with pay. The leave will be unpaid for non-benefited Employees. Up to three (3) days of bereavement leave may be taken following the death or before, during or after the scheduled funeral or memorial service. The Employee may choose to take time in no more than two (2) increments; however, any/all bereavement leave must be utilized within ninety (90) days of the death. Such leave shall not exceed the normal number of scheduled hours within a normal work week.
2. "Immediate family" includes current spouse, legally-designated domestic partner, children, parents, stepparents, legal guardian(s), stepchildren, siblings, current in-laws, employee's own grandparents, grandchildren, and any person covered under the Employee's benefits.
3. A Full-Time or Part-Time Employee may request additional time off as vacation, or if the Employee has exhausted their vacation, may request unpaid leave. The Employer will not unreasonably deny such a request. The bereavement leave is available from date of hire.

B. Jury Duty

1. A Full-Time or Part-Time Employee called for jury duty on a scheduled workday will receive up to three (3) days of regular pay when they report for jury duty at a time when they would have worked, according to their regular schedule. Regardless of shift, an Employee shall be relieved of their duties during the time they are required to be on jury duty.
2. Employees must show the jury duty summons to their supervisor as soon as possible so that the supervisor may make arrangements to accommodate the Employee's absence. The Employee must report for work whenever the court schedule permits. The Employer may request an excuse for jury duty if, in the Employer's judgment, the Employee's absence would create serious operational difficulties.
3. Employees who are placed on telephone standby by the Jury Commissioner are required to work if scheduled to do so. The Employer may waive this requirement

where the nature of the work and the availability of the personnel will not permit the Employee to leave the department on short notice.

4. Employees who volunteer their services to be jurors on the Grand Jury or in the U.S. District Court are not eligible for jury duty pay.

C. Witness Pay

The Employer will reimburse Employees at their straight time hourly rate, for the time spent in necessary traveling, waiting and testifying when the Employee is subpoenaed by the Employer or an affiliated organization to appear in court or at a deposition, or by any other party when the Employee is subpoenaed to appear in court or at a deposition to testify as to matters arising out of their employment.

If the Employee uses their own vehicle, the Employer will reimburse the Employee for the round trip mileage between the worksite and the place of appearance at the rate permitted by the Internal Revenue Service. An Employee will not be reimbursed in cases where the Employer or an affiliated organization is not a party to the action unless the matter arose out of their employment.

D. Vacation

1. Purpose

Eligible Employees shall accrue vacation time ("vacation"), which includes time to be used for vacation, personal needs, sick, etc.

2. Eligibility

Full-Time and Part-Time Employees will accrue vacation each pay period based on the number of hours the Employee was hired to work and years of service with the Employer (see the vacation accrual chart).

Per Diem Employees and Employees who are hired to work less than twenty (20) hours per week are not eligible for vacation accrual.

3. Procedure

- a. Full-Time and Part-Time Employees begin accruing vacation on their date of hire. Employees who have a status change from a Per Diem position to a Full-Time or Part-Time position will begin accruing vacation from the effective date of the status change.
- b. An Employee who has a status change from Full-Time or Part-Time to Per Diem status stops accruing vacation on the last date worked in the Full-Time or

Part-Time status. Vacation balances (earned but unused hours) are paid at the end of the pay period following the status change.

- c. Vacation is accrued based on hours hired to work, not hours actually worked, in any given pay period. Vacation does not accrue on premium, overtime or on-call hours.
- d. Once the vacation maximum limit of four hundred forty (440) hours is accrued, an Employee will stop accruing vacation hours until some of the vacation balance is used.
- e. Unused vacation cannot be used to extend the date of resignations or termination of employment.
- f. Payment of all vacation will be at the Employee's base rate of pay, not including shift differentials or other premium pay.
- g. Vacation cannot be used in excess of the Employee's regular schedule.
- h. If the Employee retires or separates from the Employer voluntarily, the Employee is eligible to receive payment at one hundred percent (100%) of the value for unused vacation accruals. Employees terminated by the Employer for cause are not eligible for this benefit.
- i. If an Employee is involuntarily transferred to another unit/department due unit/department closure or merger, the Employee will keep their scheduled vacation time.
- j. If an Employee changes units/departments, the Employer will not unreasonably deny previously approved vacation requests.

4. Taking Vacation

- a. Employees are eligible to use their accrued vacation only after they complete ninety (90) days of service with the Employer.
- b. Use of vacation must be pre-approved by the Employee's supervisor. Use of vacation for sick time or family emergencies requires the Employee to notify their supervisor as early in advance as possible. The supervisor may deny requests for vacation based on staffing requirements of the unit/department.
- c. An Employee taking time off must use vacation or sick time (whichever is applicable), except in the case of an MDO (Mandatory Day Off).

- d. An Employee who is asked to "flex-down" or take an MDO day may elect to utilize their accrued time off or they may take the MDO without pay. If the Employee chooses to use their accrued time off, they may use any combination of hours to represent an entire shift, minus any time they worked during that shift.
- e. During the peak vacation months of June, July, August and December, vacation will be granted in increments of no more than two (2) consecutive weeks, unless mutually agreed upon by both parties.
- f. Vacation during holidays including Thanksgiving, Day after Thanksgiving, Christmas Day, New Year's Eve, and New Year's Day, may not be granted two (2) years in a row for those units/departments and areas that are open on these holidays. At these holiday times, vacation will be granted in increments of no more than one (1) week provided that department staffing needs can be met and the same holiday was not taken off in the previous year, unless mutually agreed upon by both parties.
- g. Accrued vacation, eligible for use, is reflected on the Employee's pay statement each pay period. Employees may only access vacation hours accrued and reflected on the most recent pay-advice. Vacation in excess of accrued hours cannot be taken as paid.

5. Recording Vacation Taken

Vacation cannot be used in excess of the Employee's regular schedule unless an Employee is scheduled to take vacation on a normal workday and then works additional hours on a non-regular workday.

6. Vacation Cash-Out

- a. All vacation cash-out requests must be received by payroll by December 31st of each year.
- b. All vacation cash-out elections are only for prospective vacation hours that have not yet accrued.
- c. Employees will be allowed to cash-out vacation hours twice per year within the months of June and December, and up to a maximum of eighty (80) hours per calendar year.
- d. If an employee used the vacation hours slated to be cashed-out, only those accrued, but unused, will be cashed-out.

- e. The vacation cash-out timeframe is the first pay period in June and December of the following year of the request.

7. Vacation Scheduling

Employees shall submit written vacation requests between the first (1st) and fifteenth (15th) day of October for the twelve (12) months commencing the following January. Vacation will then be scheduled subject to operational needs and holiday coverage and, in the event of conflicting requests, shall be granted on the basis of seniority within the unit/department. The Manager shall notify Employees by November 30th of approval or disapproval of their requests.

After the October 15th deadline, vacations will be granted on a first-come first-served basis subject to operational needs and holiday coverage, including the need to accommodate previously scheduled vacation, or in accordance with established unit/departmental guidelines. Employees shall make such vacation requests in writing, at least four (4) weeks prior to the proposed vacation date. Shorter notice shall be acceptable upon mutual agreement between the Manager and Employee, confirmed in writing by the Manager in advance of the commencement of vacation.

8. Accrual

The accrual rates for Full-Time and Part-Time Employees are as follows:

Eligible Service Rate	Accrual Per Pay Period	Hours Per Year	Cap
<1 – 5 years of service	3.0769	80	440 Hours
Over 5 – 10 years of service	4.6153	120	440 Hours
Over 10 years of service	6.1537	160	440 Hours

25. PAID SICK TIME

A. Purpose

The Employer provides Full-Time and Part-Time Employees with paid sick time that allows Employees to take time away from work for personal illness/injury. Sick time is paid at the Employee's base hourly rate and does not include differentials.

B. Eligibility

1. All Full-Time and Part-Time Employees are eligible to accrue paid sick time.

New Employees are eligible to access paid sick time after the first ninety (90) days of employment.

2. A Per Diem Employee who has changed to Full-Time or Part-Time status and has already completed the benefit eligibility period is eligible to use paid sick time the first of the month following the change of status.

C. Procedure

1. Unused sick time from one year is carried over to the next year, up to a maximum of one hundred twenty (120) hours.
2. Part-time Employee paid sick time will be prorated based on hours scheduled to work.
3. Full-Time and Part-Time Employees must utilize paid sick time for their personal illness. If all paid sick time hours have been used, the Employee may substitute any combination of accrued time off for the time missed from work.
4. Should an Employee become ill/injured and unable to report to work, the Employee must notify their immediate supervisor as far in advance as possible. A note from a physician verifying the need to utilize paid sick time may be required.
5. Employees transferring between units/departments will maintain their paid sick time accrual balance. Paid sick time may not be used once an Employee has given notice of termination. No sick time is paid out at termination of employment.

D. Accrual

The accrual rates for Full-Time and Part-Time Employees are as follows:

Accrual Per Pay Period	Hours Per Year	Cap
1.8461 Hours	48	120 Hours

Once the sick time maximum limit is accrued, an Employee will stop accruing sick time days until some of the sick time balance is used. Sick time is accrued based on hours hired to work, not hours actually worked, in any given pay period. Sick time does not accrue on premium, overtime, or "On-Call" hours.

26. OTHER BENEFITS

The Employer will provide optional benefits to its Employees for the life of this Agreement. These benefits include: Basic Life and Accidental Death and Dismemberment Insurance (100% Employer paid); Voluntary Life Insurance and Accidental Death and Dismemberment Insurance (100% Employee paid); Voluntary Short/Long-Term Disability Income Insurance (100% Employee paid) and Identity Theft program and Travel Insurance (100% Employee paid as long as plan continues to be offered as part of Basic Life benefit).

27. TUITION REIMBURSEMENT AND CONTINUING EDUCATION UNITS

The Employer and Union agree that continuing education (CE) is a vital and integral part of the Employee's professional and personal growth. The Employer encourages the ongoing education of the Employees it employs and, to that end, agrees to the following principles regarding CE and Tuition Reimbursement.

A. Continuing Education

1. All Full-Time and Part-Time Employees shall be entitled to paid CE time. Such time is not counted as "hours worked" for purposes of calculation of overtime.
2. All requests for CE time must be approved in advance by the Employee's Immediate Director. Approval of CE time shall not be unreasonably denied.
3. Full-Time Employees shall receive up to twelve (12) hours per calendar year and Part-Time Employees shall receive up to six (6) hours per calendar year.
4. Paid release time shall be provided on the basis of one (1) hour paid time for each one (1) hour of continuing education credit earned.
5. CE release time will be provided for: any/all activities which are required by the licensing agency to maintain licenses and/or certifications for current position.

B. Tuition Reimbursement

1. Eligibility

- a. Must have an employment status of Full-Time or Part-Time;
- b. All classes must start after the employee has completed twelve (12) months of employment to qualify;
- c. Initiated and completed during the Employee's employment period;
- d. Employee must take a job-related course or one that falls within an approved career path;

- e. Courses qualifying for reimbursement must be completed in an accredited, recognized educational institution;
- f. The Human Resources department must approve course/program prior to registration.

2. Reimbursement Amounts

- a. Up to \$2,500 reimbursement per calendar year for Full-Time;
- b. Up to \$1,250 per calendar year for Part-Time.

3. Tuition Reimbursement will be provided for:

- a. Courses required in accredited Associates, Bachelors or advanced degree programs;
- b. Tuition, class fees, and required textbooks;
- c. Courses, examinations or renewals for certifications.

4. Processing

Advance payment of tuition expenses will not be issued. To receive tuition reimbursement, grades and necessary receipts must be turned into the Human Resources department within thirty (30) days of completion of classes, and the Employee must submit:

- 1. A grade of "C" or better for formal education courses.
- 2. A certificate (copy) of completion of programs other than grade courses.
- 3. Submission of necessary receipts.

Tuition Reimbursement will be provided from those amounts available to the Employee as of the date of course completion, provided:

- 1. The Employee received advance approval;
- 2. The Employee satisfactorily completes the course;
- 3. The Employee submits all receipts for the reimbursable expenses (as described above);
- 4. Once submitted to the Human Resources Department, tuition reimbursement is to be paid within four (4) weeks.

C. Certification Recognition Bonus

The certification recognition bonus will be a taxable payment made through payroll the second week of May each year. Only one Certification bonus shall be paid per year. The certification must be for the area of specialty currently employed.

All Full-Time Employees will receive five hundred dollars (\$500) annually and all Part-Time Employees will receive three hundred dollars (\$300) annually for the following certifications:

ACCS	Adult Critical Care Specialist
CFER	Certified Flexible Endoscope Reprocessor
CHAA	Certified Healthcare Access Associate
CRCST	Certified Registered Central Service Technician
CST	Certified Surgical Technologist

28. HOLIDAYS

A. For the purposes of this Article:

1. A "holiday" is from midnight (12:00am) to midnight (12:00am) of the designated holiday. Christmas Day and New Year's Day holidays shall commence at 1900 hours on the day preceding the designated holiday and end at midnight (12:00am) on the designated holiday.
2. An Employee may use accrued holiday, vacation or sick time for time off on holidays, including if an Employee is on standby.
3. An Employee who works on designated holidays shall be paid time and one half (1 1/2) of their regular rate of pay including any applicable shift differential for actual holiday hours worked.
4. Time off during holiday weeks/days including Thanksgiving, Day After Thanksgiving, Christmas Day, New Year's Eve and New Year's Day may not be granted two (2) years in a row for those units/departments that are open on these holidays.
5. Employer observes the following holidays:
 - New Year's Day
 - Memorial Day
 - Independence Day
 - Labor Day
 - Thanksgiving Day
 - Day after Thanksgiving
 - Christmas Day
6. Whenever possible for those departments open 24/7, a request for time off to observe the holiday is to be granted on the scheduled day of the actual holiday. This will be done on a rotational basis to ensure fairness. It is the Employee's responsibility to ensure that the day off is requested and scheduled with their supervisor.
7. If this is impossible and the Employee must work on the day of the actual holiday,

then the Employer will pay the Employee time-and-a-half (1½) for hours actually worked. For those departments closed on an Employer-recognized holiday (in the case where holidays fall on a Saturday or Sunday and the holiday is observed on the preceding Friday or subsequent Monday, respectively), the Employee may access any accrued hours in lieu of hours worked as long as those hours do not exceed allotted hours or create overtime.

B. Accrual Rates:

The accrual rates for Full-Time and Part-Time Employees are as follows:

Accrual Per Pay Period	Hours Per Year	Cap
2.1538	56	112 Hours

Accrued holiday time shall be available to the Employee for future use, under the terms and conditions in this Agreement.

Once the holiday time maximum limit is accrued, an Employee will stop accruing holiday time days until some of the holiday balance is used. Holiday time is accrued based on hours hired to work, not hours actually worked, in any given pay period. Holiday time does not accrue on premium, overtime, or "On-Call" hours.

29. LEAVES OF ABSENCE

A. Types and Maximum Duration of Unpaid Leaves

1. Personal Disability Leave

Leaves of absence are granted when an Employee is unable to work because of disability or illness (including disability due to pregnancy or pregnancy-related conditions). The Employer will grant such leaves to the extent required under state and federal law.

2. Military Service

The Employer will grant military leaves of absence to an eligible Employee, other than a Temporary Employee, in accordance with federal law. The Employee will provide the Employer copies of active orders prior to military leave.

An Employee requesting a military leave of absence need not exhaust vacation/sick benefits prior to being placed on such a leave. The parties acknowledge that an Employee will attempt to fulfill military commitments during non-work hours.

3. Medical Leave

- a. The Employer will comply with state and federal leave laws.
- b. In order to be eligible for medical leave, the Employee must provide to the Employer or the Employer's designee a medical certification, in advance where practicable and foreseeable, the probable duration and confirmation that the Employee is unable to perform their job duties due to the medical condition.
- c. Benefits under this Agreement shall be maintained during the paid portions of leave and/or during any portion of the leave that qualifies for FMLA leave. Beginning on the first day of the month following the exhaustion of paid time and/or maximum FMLA leave, the Employee may elect to continue benefit coverage under COBRA by paying the cost of such coverage as provided by COBRA.

4. Personal Leaves

An Employee, including a Per Diem Employee, may request an unpaid leave of absence for personal reasons, or for reasons other than those specified in this Article, and the granting or denial of any such leave, including but not limited to determining the length of any leave granted, shall be within the sole discretion of the Employer, consistent with applicable law.

B. Leave Procedures

1. Request for Leave

Except in an emergency, or where otherwise permitted by law, a request for a leave of absence and any appropriate and/or required supporting information shall be submitted by the Employee to the Employer, or to a designated third party administrator, in advance of such leave, on a request for leave of absence form provided by the Employer.

2. Verification

As a condition to authorizing, continuing or extending a leave of absence, the Employer, or the third-party administrator, may require verification of the reasons given by the Employee who is requesting the leave, including signed physician's certification in the case of personal disability leaves, and/or may periodically request updated information and/or documentation regarding the continued existence of reasons requiring a leave, as, and to the extent, permitted by law.

3. Accrual of Benefits

- a. Except for military leaves to the extent required by law, Employees do not accrue benefits or seniority during the period of an unpaid leave of absence,

nor is the period counted for the purpose of determining entitlement to compensation or benefits.

- b. Employees may elect to continue medical, dental, vision, long-term disability, life and/or accidental death and dismemberment insurance coverage while on an unpaid leave of absence by paying the full premium to the Employer.

C. Return from Leave

1. An Employee must give the Employer at least seven (7) days' prior notice of their intent to return to work. An Employee returning from a medical/disability leave of absence, including extensions to any such leave, must submit a medical release and be cleared to return to work by the Employee health nurse.
2. After an extended leave of absence, the Employer reserves the right to require a fitness for duty exam.
3. The Employer will make reasonable efforts to reinstate an Employee to the same job held when the Employee left on their leave of absence, provided the Employee remains qualified and able to perform the job.

If the Employee's job has been eliminated while he/she was on a leave of absence, the Employee shall be entitled, upon his/her return, to the same alternatives and considerations that would have been available to the Employee had he/she been working at the time the position was eliminated.

If the Employer is unable to return the Employee to the same position, or if a position is not available, the Employer will provide the Employee with a substantially similar vacant position, if available.

D. Transitional Work

The Employer shall attempt to return Employees who are temporarily incapacitated, as a result of a work-related injury or illness, to transitional work as soon as medically feasible. The transitional work assignment will be determined by the availability of transitional work and in accordance with the description of physical limitations/restrictions provided by the physician treating the occupational injury.

The Transitional Work Program is not intended to apply in cases where the Employee requires a permanent job reassignment as a result of an injury. Employees may be assigned to the modified work program for a period not to exceed ninety (90) days in any twelve (12) month period. At the Employer's discretion, the modified program may be extended an additional thirty (30) days.

E. Union Leave

Union leave shall be requested by the Employee and the Union at least twenty-one (21) calendar days in advance in writing (shorter notice can be agreed to by the parties). One bargaining unit Employee per one-hundred (100) bargaining unit members shall be granted a leave of absence of at least thirty (30) days, but not to exceed twelve (12) months. Health, dental, vision and any other benefits provided by the Employer will continue during the leave but paid one-hundred (100%) by the Employee.

At the time the leave of absence is taken or at least forty-five (45) calendar days prior to the completion of the stated terms of the leave of absence, the Union shall notify the Employer of the Employee's intent to return to work and the Employee shall likewise so advise the Employer. Upon return, the Employee shall be returned to the same or similar position, without loss of pay rate or scheduled hours or seniority, from which the Employee took the leave of absence, consistent with staffing reductions and/or layoffs which may have occurred during the period of the leave of absence without pay.

30. WAGES

A. Definitions

1. "Employees" means all Full-Time, Part-Time, and Per Diem Employees covered by this Agreement.
2. "Wage Scale" means the table of job titles, wage steps, and wage rates, as iterated in Appendix A – Wage Scale.

B. Wage Scales and Increases

Effective on the first full payroll period following ratification and then on the first full payroll period following the anniversary of the ratification date for Years two (2), and three (3):

Select Full-Time and Part-Time Employees (as iterated in Appendix A – Wage Scale) shall be placed on an updated wage scale based on their credited years of experience with a minimum of a two point seven five percent (2.75%) increase. All other Full-Time and Part-Time employees not placed on an updated wage scale will receive a two point seven five percent (2.75%) increase.

C. New Hires:

New Employees will be placed on the wage scale within their job classification at the

appropriate step based on the Employee's credited years of experience as documented on the employment application utilizing the following criteria:

One year of experience shall be credited for each year worked of relative experience the Employee is being hired for.

D. Promotions

When an Employee is promoted to a higher job classification, they will be placed at the appropriate step on the Wage Scale based on credited years of experience in the same job classification.

E. Transfers

When an Employee transfers into a new job classification, the Employee will be placed on the appropriate wage scale based on the new job classification. The transferring Employee will have their credited years of experience calculated based on relative experience within the new job classification, as documented within this Article.

31. SUCCESSORS

Before any sale, assignment, or any other change in ownership, the Employer shall provide the Union with ninety (90) days advance notice in writing of such intended sale, assignment, or any other change in ownership. Whenever possible, the notice shall include the name and address of the prospective purchaser, assignee, and/or their designated agent. The Employer shall meet at the Union's request to engage in good faith bargaining over the impact of such change.

The Employer shall not use any sale or transfer or other mechanism for the purpose of evading the terms of this Agreement.

32. COMPENSATION RATE REVIEW

The Union and the Employer agree that it is in the best interest of both to recruit and retain qualified, experienced staff. To this end, either party may initiate and discuss specific job classification(s) possibly requiring a wage increase.

33. MANAGEMENT RIGHTS

The Employer retains, solely and exclusively, all rights, powers, and authority that are not specifically abridged by an express provision of this Agreement. Without limiting the generality of the foregoing, examples as to the rights, powers and authority retained exclusively by the Employer, and which may be exercised in its sole discretion unless

abridged by an express provision of this Agreement, include but are not limited to the following: to manage, direct and maintain the efficiency of its business and Employees; to maintain and control its departments, buildings, facilities and operations; to determine methods, processes, means, scope and places of quality patient care delivery and services; to create, change, combine, or abolish jobs, departments and facilities in whole or in part; to determine the means and manner by which patient care is to be delivered to patients; to discontinue work for economic, technological, operational or other reasons; to direct the work force; to increase or decrease the work force and/or determine the number of Bargaining Unit Employees and other Employees to be hired or retained and how they are to be assigned; to hire, transfer, promote, demote, suspend, discharge, and to lay off Employees; to determine staff and establish work standards, schedules of operation and work load; to specify or assign work requirements, overtime, or on-call responsibilities; to assign work and decide which Employees are qualified to perform such work; to schedule and change work hours, shifts and days off; to adopt, revise or delete Employer policies governing the employment of Employees, including but not limited to rules of conduct and safety and for penalties for violations thereof (after notice and opportunity to bargain is provided to the Union); to establish and revise performance standards and evaluation tools; to determine the type and scope of work to be performed and the services to be provided; to determine the methods, processes, means and places of providing services; to determine the location and relocation of any hospital or any services; to effect technological changes; and to determine the quality of patient services. The listing of Management Rights set forth in the preceding sentence are meant by way of an explanation not a limitation. The operation, authority, and control of the Employer's operation is vested exclusively in the Employer through its management and management's designees, who, among other duties, may discharge or otherwise discipline Employees for just cause.

34. STAFFING COMMITTEE

It would be beneficial for the Employer and Union to discuss broad concerns of mutual interest. Therefore, a Staffing Committee will be formed and maintained.

The Staffing Committee does not have the authority to formulate policy or enter in Agreements that require collective bargaining. These proceedings will not be used in lieu of the grievance or arbitration procedures, nor will they be subject to the grievance and arbitration process.

The Staffing Committee will meet on a quarterly basis, or more frequently upon mutual Agreement of the parties, for the purpose of discussing issues that may affect the working environment of the bargaining unit. Time spent in attendance of the Staffing Committee meetings will be paid at the Employee's base hourly rate of pay and will be limited to no more than four (4) hours per quarter.

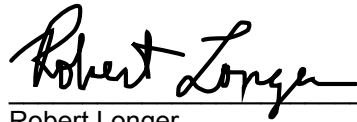

All certified nursing assistants seated on the staffing committee, pursuant to NRS 449.242, shall be appointed by the Union.

35. TERM AND TERMINATION

This Agreement is effective upon ratification (May 10, 2021), and shall remain in full force and effect until three years from ratification date (May 9, 2024), and from year to year thereafter unless either party shall deliver to the other written notice of its desire to terminate or amend the Agreement at least ninety (90) calendar days prior to three years from ratification date (May 10, 2021) and bargaining sessions shall begin within thirty (30) calendar days after submission of such notice.
